AT A GLANCE

Beveled splay style downlight trim series for the RL3, 3" diameter recessed downlights. The trims are available in round apertures as well as an assortment of colors and finishes. Made from die-cast aluminum, the trims can be painted or anodized to meet the needs of the most difficult of applications. The trims are configured for flangeless installations, which require a discrete mud ring.

ORDER CONFIGURATOR

To order, select one option from each table column to configure the desired bevel/trim product catalog code. Then, fill in the boxes below (e.g., Bevel/Trim #: 6038-R-WH-FL). To order recessed downlights, use the corresponding specification sheet(s) for the desired compatible recessed downlight series. To order additional items (optional), up to one option from each table column can be selected from the Optional section. Then, fill in the dashed box(es).
