AT A GLANCE

Ceiling mounted rigid pendant support for the TSQ1 and TSQ2 track. Available in 18", 36", or 48" drops.

Pendant rod style support for QuantaLight track. Standard round canopy with steel stem. Comes with a small decorative stem cover for bottom track connection. For any pendant support used as a power feed, also separately order the Q2705 Wireway Cover, plus either the Q2722 End Power Feed or Q2712 In-line Connector & Feed.

ORDER CONFIGURATOR

To order, select from the following: Q18, Q36, or Q48. Please also see the instructions on the associated website pages for each support.
